Resisted an Officer.

Last night, on Chapline street, near the I. O. O. F. hall, Officer Knabe's attention was attracted by a scuffle going on between a man and a woman. The officer ordered the man to cease his assault, but this he refused to do, whereupon the officer arrested both. Then the man, whose name is Ed Darby, made a lunge at the officer, and met Knabe's club on his head. Still he persisted and got another bump for his pains, after which both the man and woman went to police headquarters. The woman's name, according to the police docket, is Mary Scott. A charge of disorderly conduct was placed against the man, and resisting an officer may be added this morning.

Builders' Exchange Expect 200 to 300 Will Take In Their

PUT-IN-BAY TRIP SATURDAY.

All the Arrangements for the Trip Were Concluded at a Special Meeting of the Exchange Held Last Night—Between Eighty and 100 Excursionists Left via the Pan Handle for Atlantic City Yesterday Afternoon.

All arrangements for the annual outing of the Wheeling Builders' Exchange were concluded at a special meeting of the organization which was held last night at the chamber of commerce rooms. Traveling Passenger Agent Sam Sherman, of the Wheeling & Lake Erie, who has the trip in charge, was present and outlined the features of the trip as he and the exchange committee had arranged them.

The train, he said, would depart from the Terminal station at 11:15 a. m. tomorrow, with a chair car and a parlor car attached in addition to the regular coaches. Toledo will be reached at 6 p. m., and the Wheeling party will be conducted to the Hotel Jefferson, where dinner will be had, after which Mr. Sherman and members of the Toledo chamber of commerce and Toledo Press Club will escort the Wheeling people to the famous Casino on the lake, where a vaudeville performance in which Champion Jim Jeffries figures will be witnessed. The night will be spent in Toledo, and at 9:15 Sunday morning one of the Detroit and Cleveland steamers will be boarded, and after a forty mile ride beautiful Put-in-Bay will be reached, where most of the Wheeling party will spend a week or more. During the week the inter-lake yacht races will be a special feature; not arranged especially for the West Virginians by Mr. Sherman, but a feature just the same.

The Builders' Exchange people stated last night that they expected between 200 and 300 people would join them in their trip to Put-in-Bay.

The Pan Handle's second excursion of the season to Atlantic City left yesterday afternoon, most of the excursionists taking the 2:55 train which made close connections at Pittsburgh. It was the largest seashore excursion that has left Wheeling this season, between eighty and 100 taking the trip. Among those who went were the following: Miss Ella Mills, Dr. Rusted and wife, Miss Ella Velth, the Misses George, of Wellsburg, Miss Emma Forbes, J. M. Brown and wife, W. H. Bowler and family, T. M. Garvin, J. F. Paul and party, C. B. Ott and party, Alex Durst, wife and son, Mrs. A. V. Foster and party, S. O. Paul, Miss McGow, of Moundsville, Mrs. Robert Kyle, O. T. Rhodes and family, Miss Holberdy, Miss Mary Campbell, Robert Nesbitt and wife, J. Emsheimer, W. L. Garden, W. T. Stiffel, Mr. Harper and daughter, J. E. Kirtz, of Martin's Ferry, Mrs. Mulholm, Miss L. Otto, Wilbur Buggs and party, of Martin's Ferry, W. A. Hein, E. Huffman, Mrs. Pollock, Robert Magee, George Flaccus, Edward Kemple, Miss Clara Zane, E. Horkheimer.

TWO ALARMS TURNED IN

Last Night, but the Second was a Mistake—The Loss Slight.

Last night shortly after 10 o'clock an alarm of fire from box 58 at the corner of Twenty-seventh and Market streets, South Side, brought out the lower section of the fire department. The fire was in a frame shed adjoining the old office building of the Wheeling Steel & Iron Company, at its Belmont plant, at the foot of Twenty-seventh street. Locomotive sparks had set fire to a lot of staves and lumber stored in the shed. Streams were turned on the blaze from the Niagara and Eighth ward engines, and it was soon extinguished with slight loss.

Mischiefous boys turned in a second alarm just when the fire was under control, and as a result the Atlantic steamer and the Eleventh street chemical came down on the double quick, but they were not needed. An effort will be made to ascertain the names of the boys, and if successful they will be arrested. There is an ordinance of the city providing for the severe punishment of persons meddling with the fire alarm apparatus.

One Tells Another

An we witness every day THE FIGURES OF MAGIC. the power of that influence

\$6.50 Men's Suits, reduced from \$10 and \$12. \$9.00 Men's Suits, reduced from \$14, \$15 and \$16.

These figures seem to have hypnotized the clothes buyers hereabouts. Those great piles of fine all wool Men's Suits which we have been selling the past week at

Six-Fifty and Nine Dollars

have pitched and tumbled, losing here a suit and there a suit until they have lost all semblance to their former bigness. This sale creates excitement, and no wonder, for when BAER'S make a sale of this nature it's no fake, but a bona-fide sale, and the people know this means something different from the everlasting 20 per cent to 25 per cent discount sale of others.
